A message from Superbook's Executive Producer

Dear Friend,

Thank you for subscribing to the Superbook Academy! This exciting digital curriculum will challenge your students with engaging, Christ-centered learning experiences.

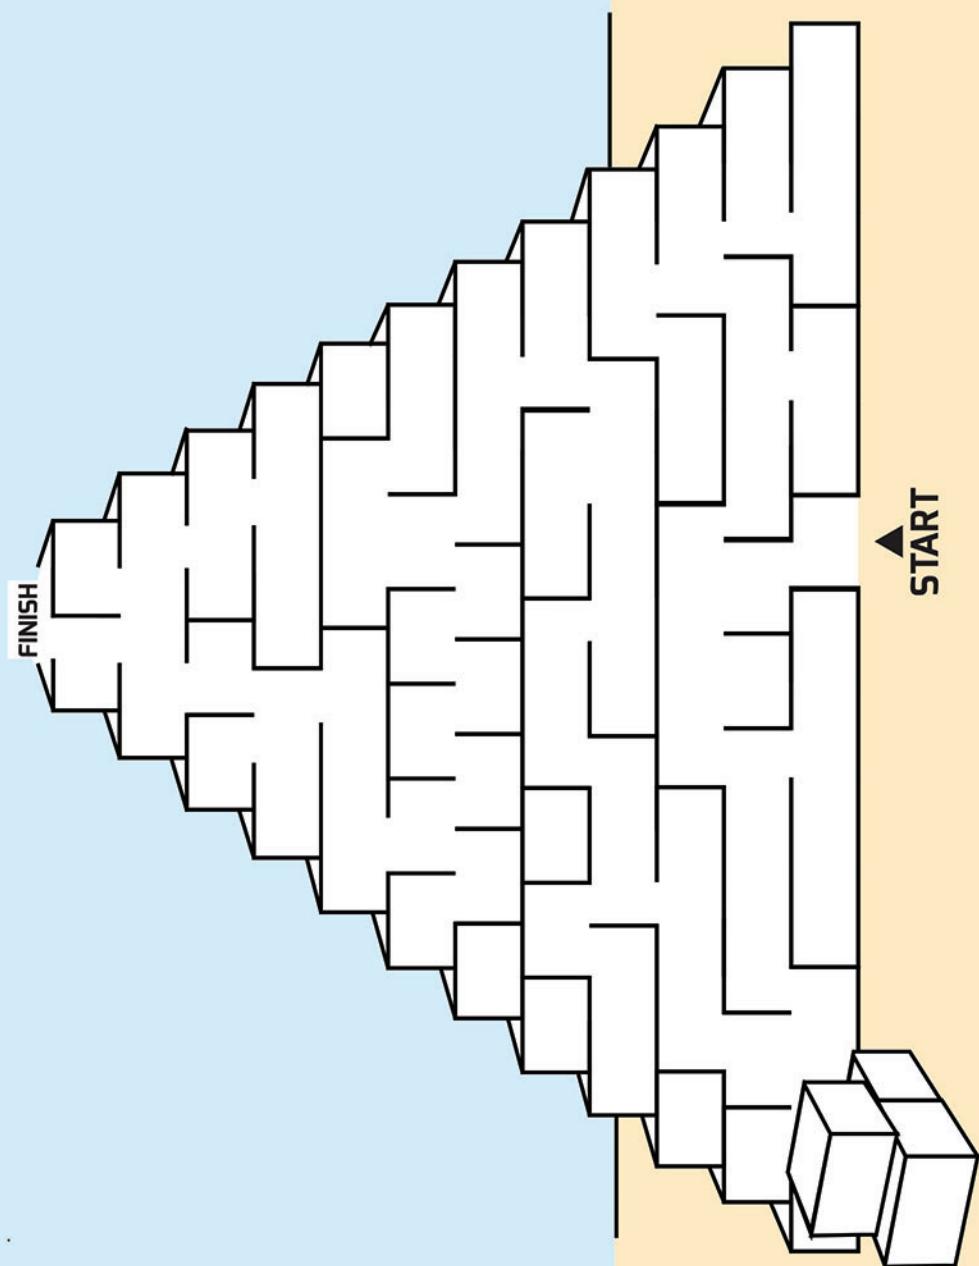

In appreciation for your dedicated prayers and support, here is an exclusive edition of the *Superbook Crafts & Games* booklet. I know you'll enjoy doing these activities with the children in your life!

For even more fun and learning, be sure to download the Superbook Kids Bible App. This free app features full Superbook episodes, family-friendly games, and the entire Bible—embedded with exciting video clips from Superbook.

Thanks again for sharing the wonderful love of our Savior. God bless you!

Gordon Robertson
Chief Executive Officer, CBN

Pyramid Maze

Let's Play!

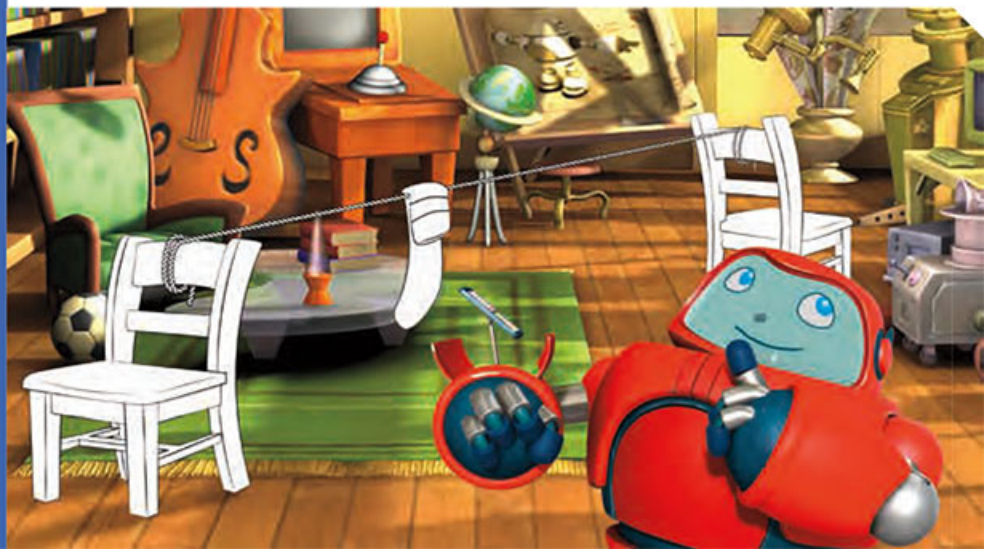

Commandments on the Line

- Gather 10 socks, preferably adult-size, calf-length tube socks.
- Cut 10 one-inch pieces of masking tape and number each piece from 1 to 10. Place one on each sock.
- Tie a string about 6 feet long between two chairs, then move them apart until the string is taut.
- Time each round with a clock, stopwatch or timer app.

Start the timer. Players stand near the pile of numbered socks, about 8 feet from the rope. The first player chooses any sock, recites the commandment with the same number, then tries to toss the sock onto the rope. Players take turns, continuing until all socks are tossed. Younger children may stand closer to the rope. Once all 10 socks are thrown, stop the timer and count the socks on the line for the score. Play again to beat the first time and score.

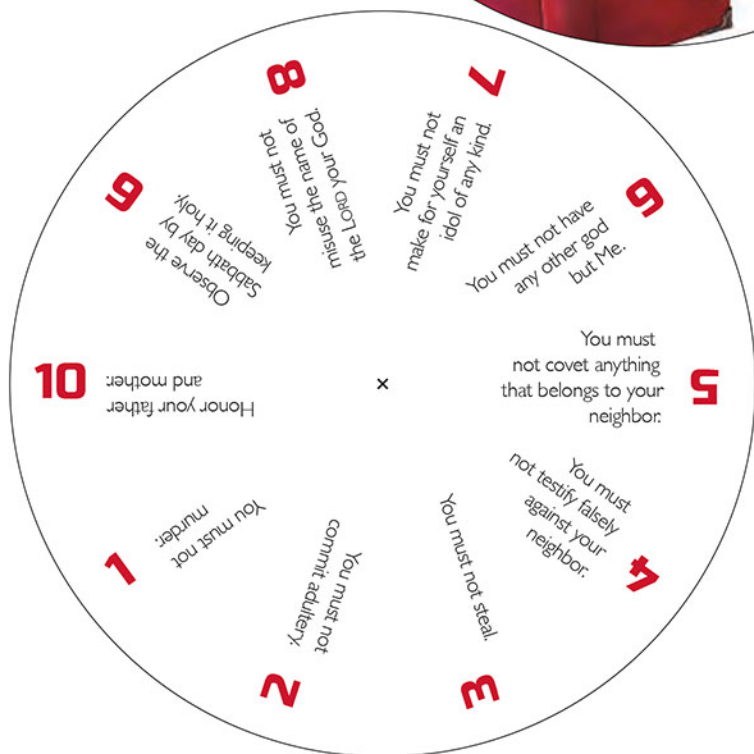

THE TEN COMMANDMENTS

1. You must not have any other god but Me.
2. You must not make for yourself an idol of any kind.
3. You must not misuse the name of the LORD your God.
4. Observe the Sabbath day by keeping it holy.
5. Honor your father and mother.
6. You must not murder.
7. You must not commit adultery.
8. You must not steal.
9. You must not testify falsely against your neighbor.
10. You must not covet ... anything ... that belongs to your neighbor.

Ten Commandments Wheel

Cut out both circles and attach with a brass roundhead paper fastener through the X.

A Giant Adventure Flip Book

Second part of this craft on next page

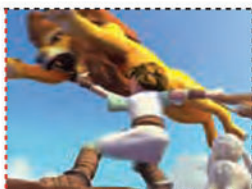

Cut out each rectangle with image next to the number. Stack the images in order and secure with a staple, paper clip or fastener.

Flip the sheets for an animated scene!
DO NOT CUT THE RED-DASHED LINE!

Explore Creation Telescope

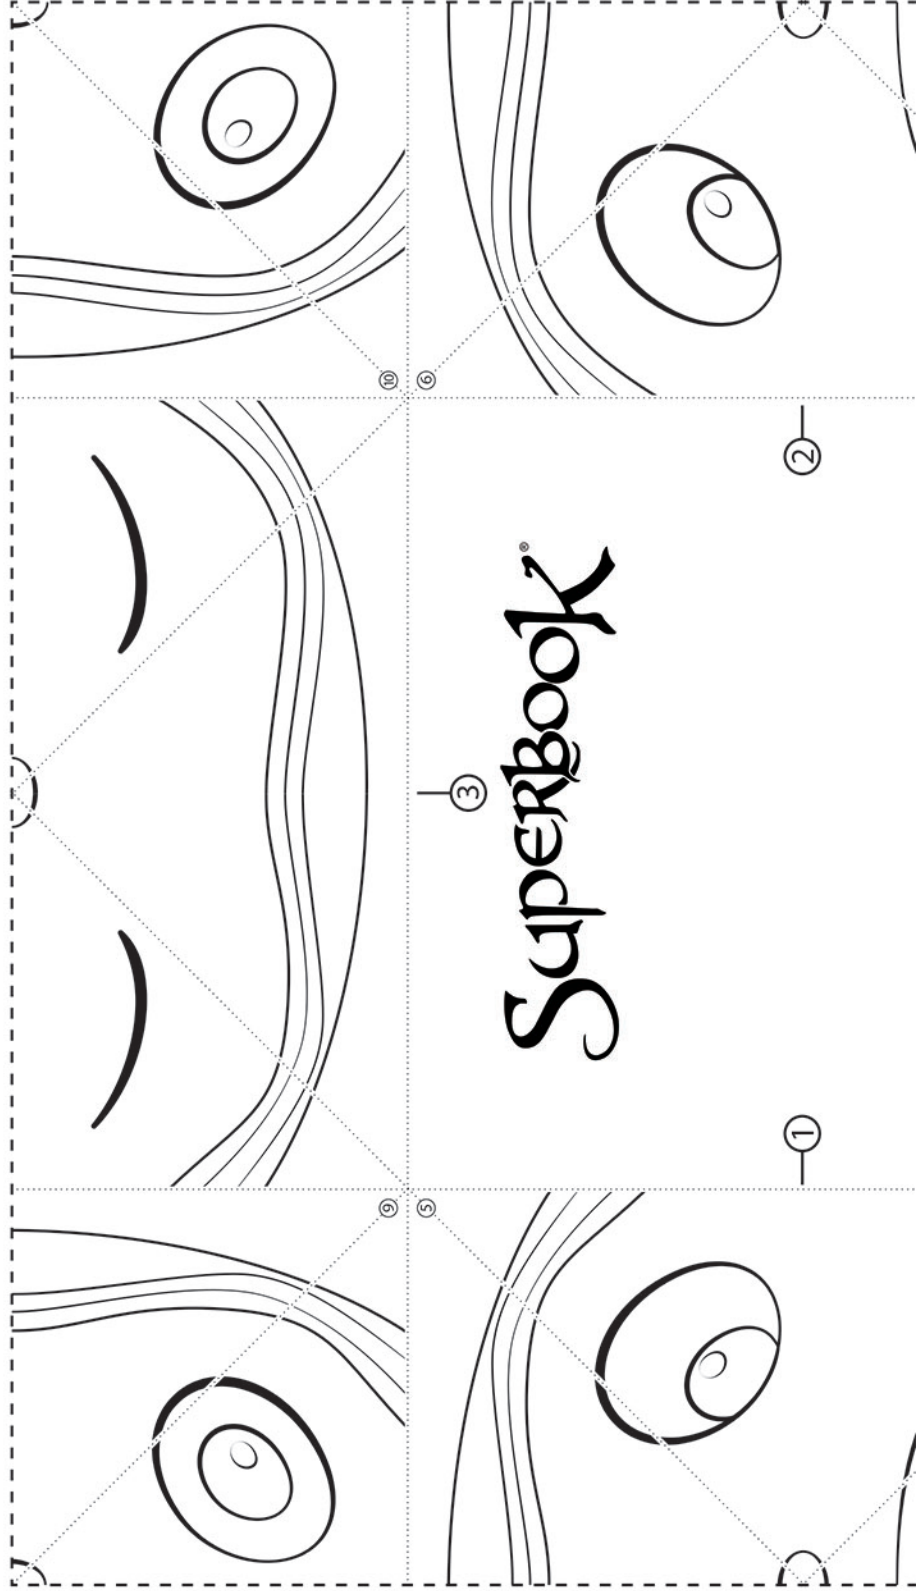

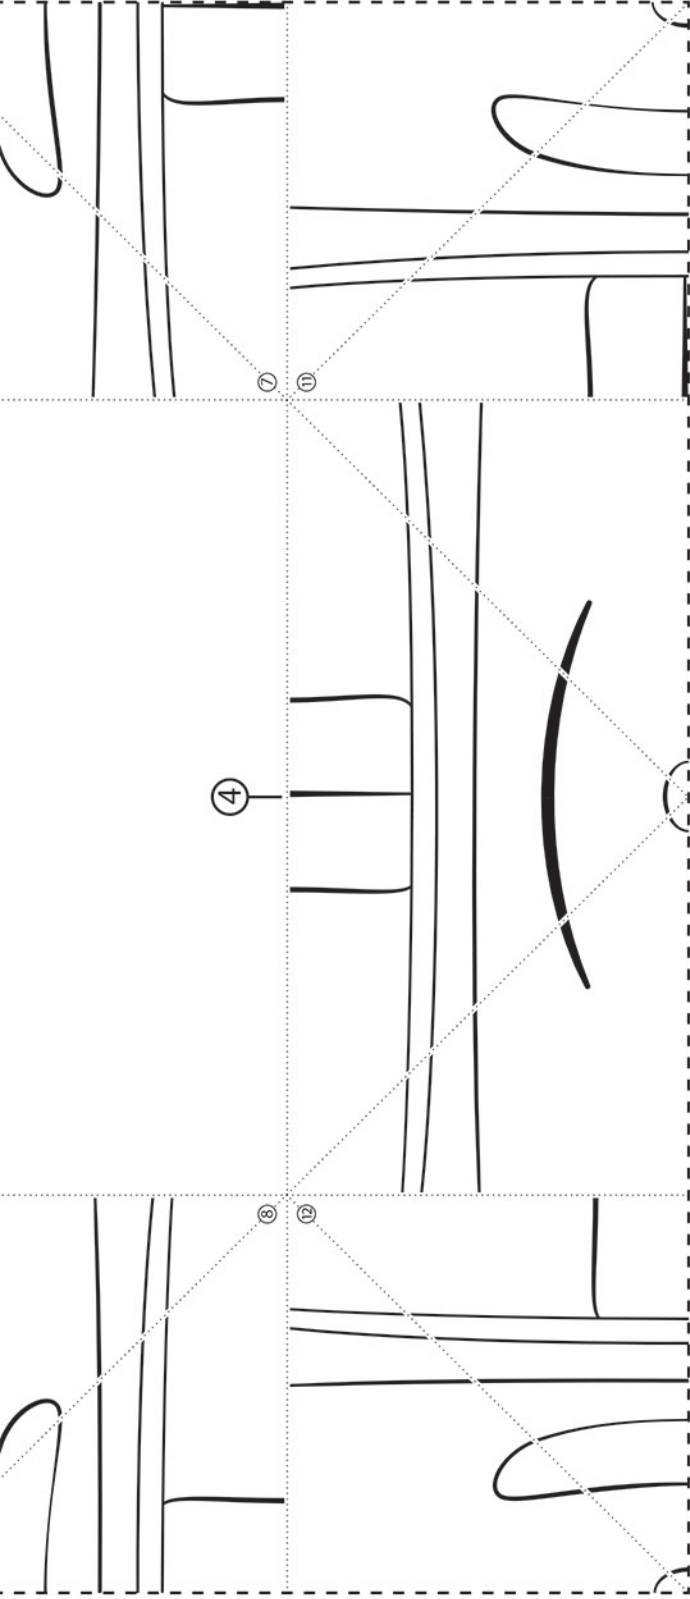

First cut out pattern, then add tape to side **A**, roll side **B** under **A** and attach tape.

————— Cut

..... Tape together

The Faces of Gizmo

1. Color in the many faces of Gizmo.

2. Cut along the dashed line.

3. Fold the dotted lines in order.

- A. Folds 1-4: fold away from you and then unfold.
- B. Folds 5-8: fold towards you, then unfold.
- C. Fold all folds towards the back center together.

Nativity Set

Nativity Set

- Tape a penny to the bottom of the back.

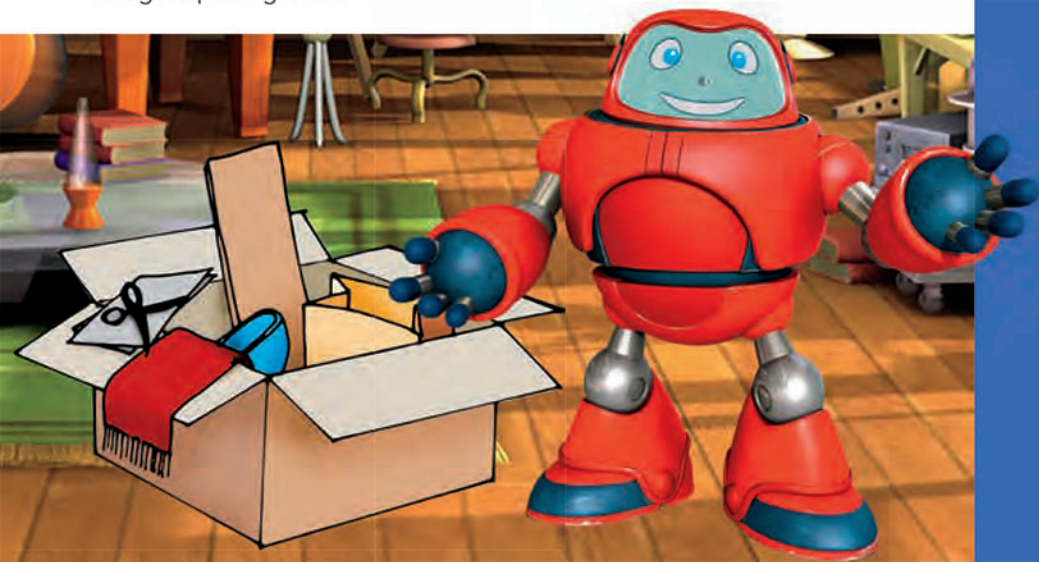

The Armor of God

The Israelite troops wore armor to protect themselves. Did you know that God gives us invisible armor to wear? Let's read about it in the Bible. **Read Ephesians 6:10-18.**

Create, label and decorate each piece of the armor of God for each child to wear by using household objects or simple craft materials. Race to see who can put on all of the armor first!

- Belt of Truth: long strip of cloth or scarf.
- Breastplate of Righteousness: large paper bag slit down the back, with holes for head and arms.
- Shoes of Peace: pieces of felt cut to fit over feet.
- Shield of Faith: large piece of cardboard.
- Helmet of Salvation: plastic bowl.
- Sword of the Spirit: long piece of cardboard.

Afterwards, discuss each piece of armor. Ask the children to think of a situation where they might have to use it. Then when they need their spiritual armor in real life, it will be easy for them to imagine putting it on.

Let's Play!

Build a Pyramid

Did you know that the pyramids were already very old when the Israelites were slaves in Egypt? The Great Pyramid of Giza was called one of the seven wonders of the ancient world—and it is the only one still in existence today.

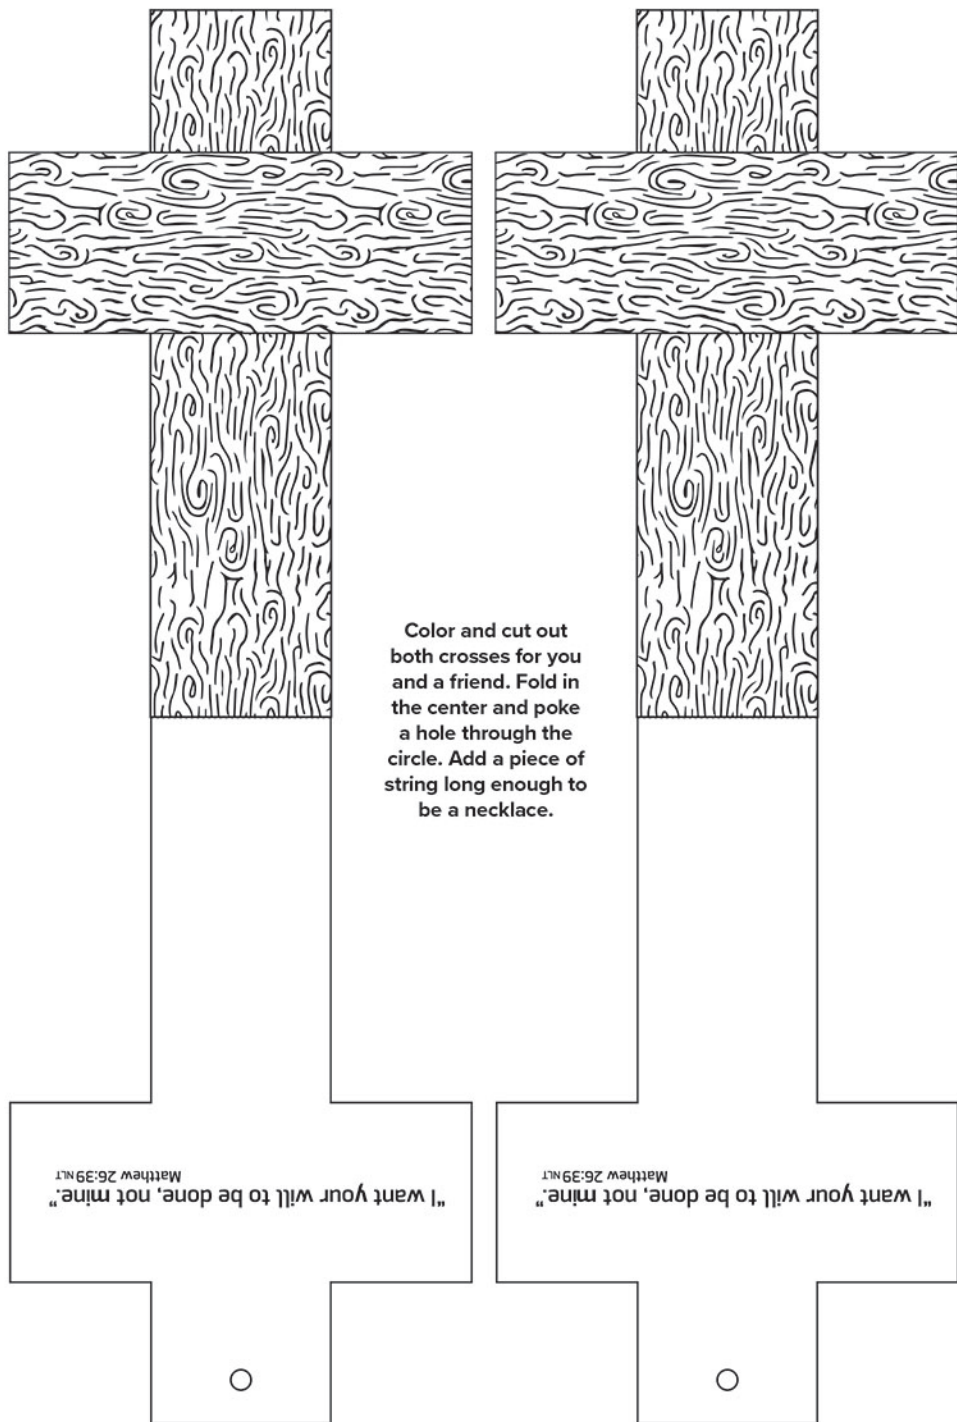

Can you guess how many sides a pyramid has? It is built on a square base with four sides. Each side slopes upward in a triangular shape, meeting at the top in a point.

Race each other to build the highest pyramid you can using dominoes, small wooden blocks, or plastic bricks that snap together. Then, read Jesus' teaching in [Matthew 7:24-27](#) and discuss what makes a builder wise:

"Anyone who listens to my teaching and follows it is wise, like a person who builds a house on solid rock. Though the rain comes in torrents and the floodwaters rise and the winds beat against that house, it won't collapse because it is built on bedrock. But anyone who hears my teaching and doesn't obey it is foolish, like a person who builds a house on sand. When the rains and floods come and the winds beat against that house, it will collapse with a mighty crash."

Cross Pattern

Let's Play!

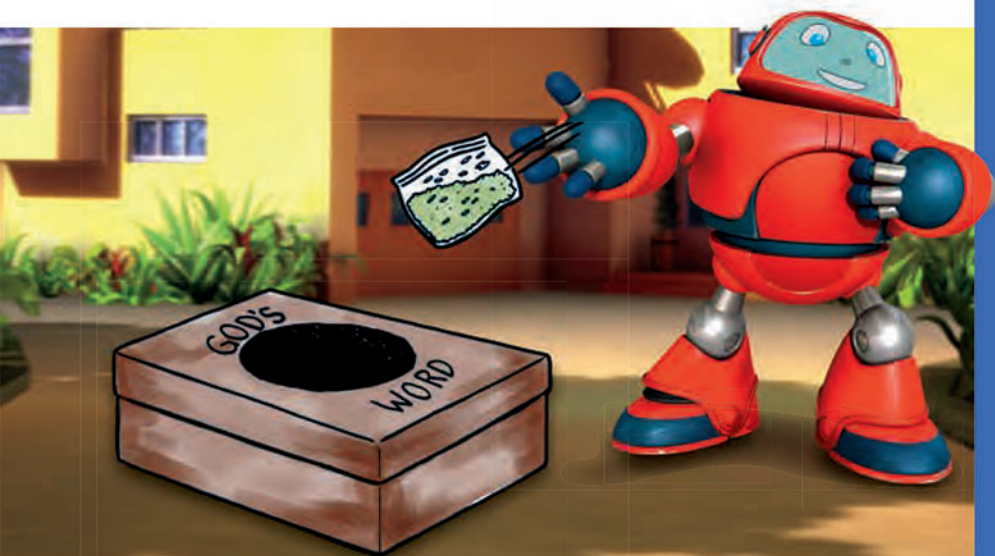

Hit the Mark

Sin means to “miss the mark.” But with God’s help, we can “hit the mark” by obeying His Word and doing things that please Him.

You can practice “hitting the mark” in this game! You will need beanbags and a small box for a target to represent God’s Word. If you don’t have beanbags, they’re easy to make. For each one, put about $\frac{1}{2}$ cup of dried beans, uncooked rice, or unpopped popcorn into a sandwich bag and seal it shut. Place it inside another sandwich bag, seal it, and tape the top for extra strength.

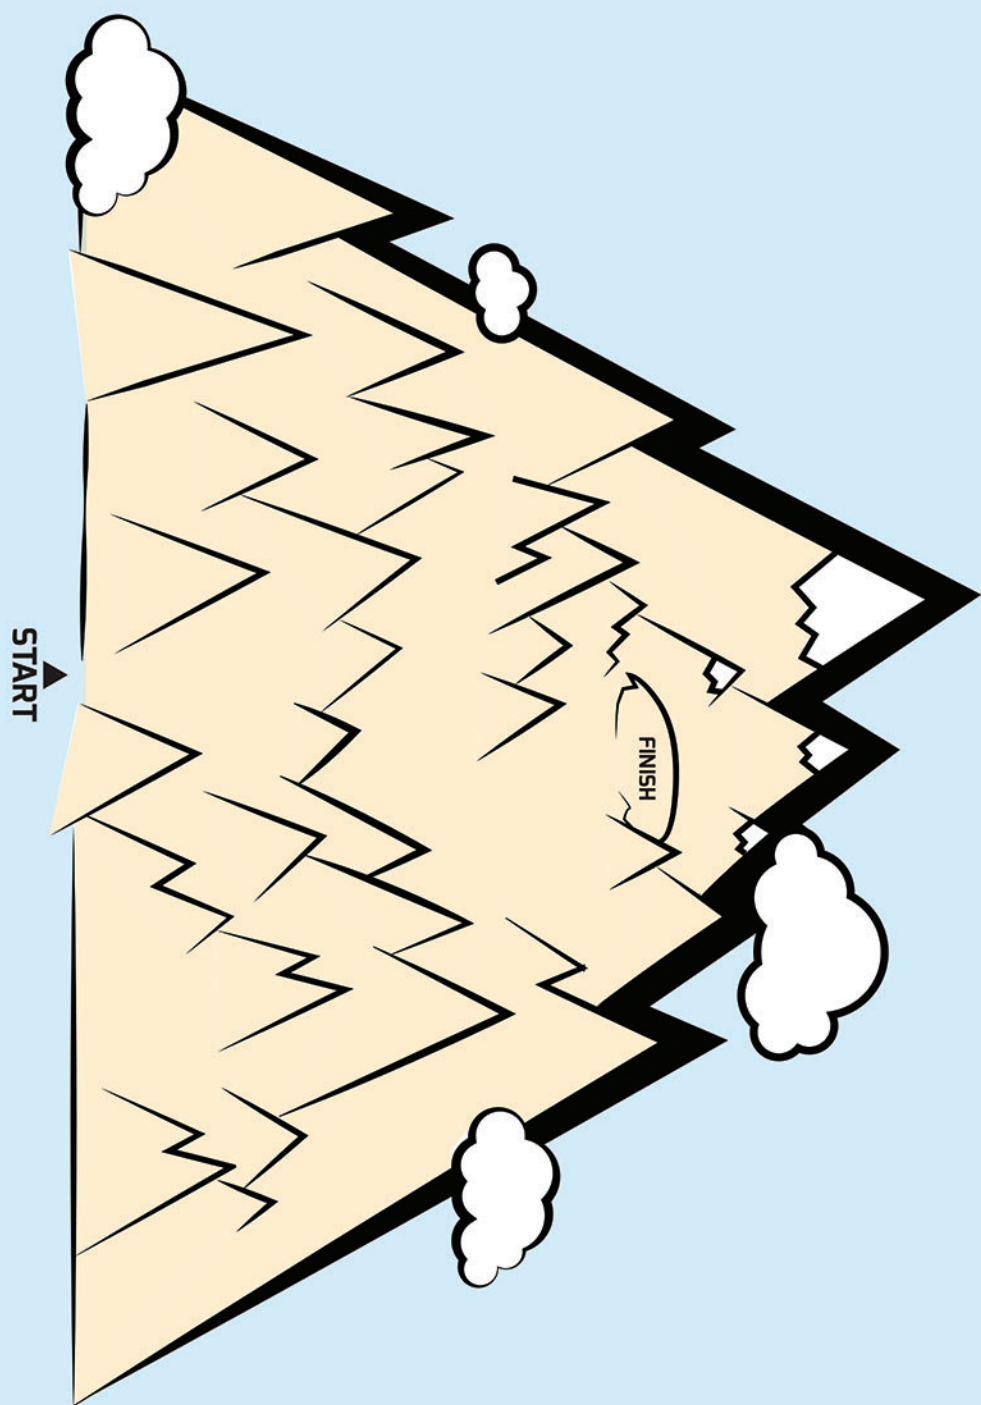

Stand a few feet away from the target and take turns tossing the beanbags to see who can “Hit the Mark” the most times!

1 Thessalonians 4:1 *Finally, dear brothers and sisters, we urge you in the name of the Lord Jesus to live in a way that pleases God, as we have taught you. You live this way already, and we encourage you to do so even more.*

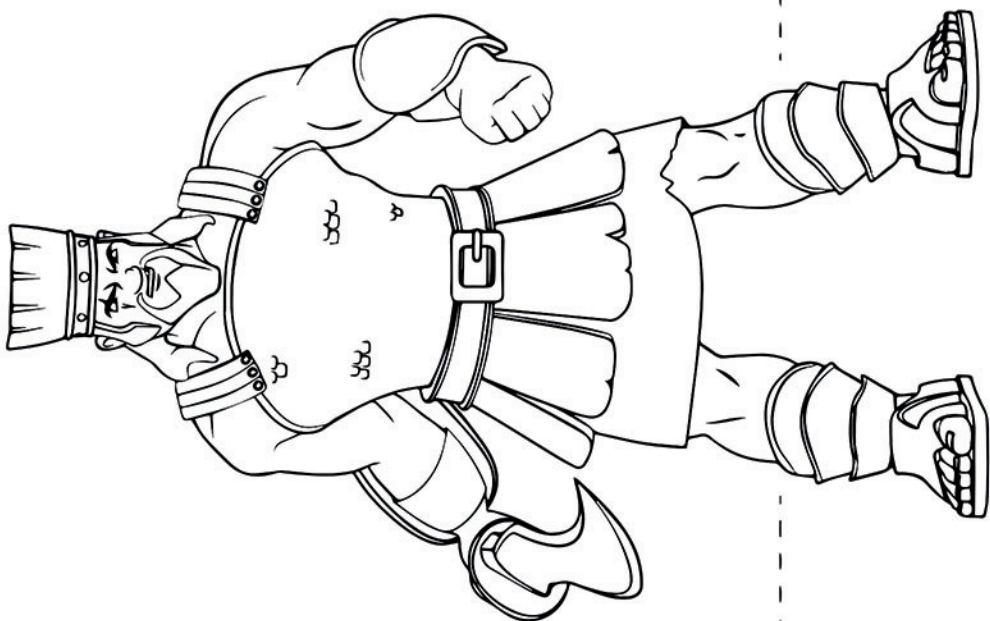

The Mountain Maze

David & Goliath

1. Color David and Goliath.
2. Cut around them and on the dotted lines.
3. Tape flaps together to create a circle base.
4. Defeat Goliath
